

DUBAI AUTO ZONE (DAZ)

Dubai Auto Zone (DAZ) is Economic Zones World's comprehensive market place for the Auto Industry catering to buyers, sellers, service providers, principals and traders alike. DAZ, a mixed use facility, will consist of a free zone to attract Foreign Direct Investment (FDI) in the auto sector, a specialized economic zone to cater to the GCC markets and a retail zone to serve the local markets. These components at the proposed DAZ facility will enjoy one stop services and the benefits of a dynamic market place. The cluster strategy of the Zone will facilitate and support the growth of all segments of the auto industry with focused investment in the required infrastructure particular to the respective segments.

Dubai Auto Zone, located in Ruwaya on the Dubai Bypass Road, aims to satisfy the region's growing demand for auto businesses. DAZ will facilitate traders, light manufacturers, service providers, and others in the automotive and machinery industry. Dubai Auto Zone (DAZ) is Economic Zones World's comprehensive market place for the Auto Industry catering to buyers, sellers, service providers, principals and traders alike. DAZ, a mixed use facility, will consist of a free zone to attract Foreign Direct Investment (FDI) in the auto sector, a specialized economic zone to cater to the GCC markets and a retail zone to serve the local markets.

The cluster strategy of the Zone will facilitate and support the growth of all segments of the auto industry with focused investment in the required infrastructure particular to the respective segments.

DAZ offers flexible licensing and leasing process to accommodate the diverse needs of the customers. It acts as one stop shop for auto industry. There is excellent infrastructure available, driven by the cutting edge technology. A focused development of auto industry nurtures the ancillary units and offers immense growth opportunities.

DAZ offers, offices, land warehouses/Light Industrial units and staff quarters in one area, under one roof. It also provides various other facilities like visa and immigration services. Investors can have excess to ready to use offices and warehouses. These are allocated along with the lease and offer great flexibility of operation.
