

## ABOUT DUBAI AVIATION CITY

Aviation City is a unique and innovative business concept in the region. It is established to host all aviation manufacturing and associated industries, MRO companies, aviation support services, design and consultancy, research and development, aviation training, products and parts, light manufacturing units and high-technology industries. Aviation City, spread over 6.7 square kilometers within Dubai World Central project, is being designed as a one-stop center for all aviation-related operations.

Aviation City is an integral part of Dubai World Central that is geographically and functionally designed to form the centre of the world as we see today. Aviation City will bring together at one place, the best of companies, consultancy majors, MRO organizations professionals and skill sets from around the world to cater to the growing aviation demand of the region and the world at large.

### Dubai Aviation City offers the companies and individuals the following incentives and benefits:

- 100% corporate tax exemption
- 100% personal income tax exemption
- 100% foreign company ownership
- 100% repatriation of capital and profits
- Single window clearance (One stop shop)
- No currency restrictions
