

ABOUT DUBAI MEDIA CITY

Since its official opening in January 2001, Dubai Media City has grown to become a thriving business community hosting both global and regional media companies. The business park offers an environment that allows companies and individuals to operate with collective synergy and freedom whilst enjoying free zone benefits which include 100% business ownership and exemption from taxes as well as value added services such as networking opportunities, venue management services, industry building programmes and government services.

Since its opening, DMC has evolved as a thriving media community catering to businesses in segments such as Publishing and Printing, Music, New Media, Leisure and Entertainment, Broadcasting, Film, Information Agencies and Media and Marketing Services.

DMC's Media Business Centres have also contributed to promoting talent and entrepreneurship in the region. These unique facilities are targeted at freelancers and independent media professionals. Freelancers find the Centres an ideal base for gaining visibility and building relationships with the media industry.
