

FUJAIRAH INTERNATIONAL AIRPORT

Fujairah International Airport is the only airport located on the East coast of the United Arab Emirates. This provides not only excellent weather conditions but also a strategic location, ideal for serving destinations to the North, South, East and West. The Port of Fujairah is located within easy reach; 5km (10 minutes). Distance and time to/from Dubai is being reduced by a new highway reducing the travel time from 90 minutes to less than one hour, an advantage for passengers and cargo.
