

HEAVY EQUIPMENT & TRUCKS ZONE [HETZ]

As part of the efforts to expand the re-export of trucks and heavy equipment from Dubai the Heavy Equipment and Trucks Zone has been announced.

Construction works for HETZ are already on at Warsan area in Dubai on the allocated area of 7,311,721 sq. meters facility. The free zone will have all facilities that required increasing the business value in this sector similar to the JAFZ.

The zone has been designed to accommodate for a large number of companies according to their desires. The location of the project selected for easy access and escapes to the area from all sides and other northern emirates and for easy reach to Jebel Ali Port.

At HETZ, all sorts of incentives shall be provided to the investors to encourage the business and will accommodate several areas for commercial, public auctions, heavy equipment and spare parts in addition to other general services and facilities.

Hetz will be active in re-exports as well as supplying the local market. Traders who sell to the local market will pay four percent customs duty, while re-exporters will benefit from tax exemptions. The new zone will feature all the necessary resources needed for the promotion of heavy equipment and truck trading such as administrative offices, licensing offices, banks, customs and a chamber of commerce office.
