

ABOUT SAIF ZONE

Dedicated to quality and excellence, SAIF-Zone is the symbol of efficient operations- the better alternative for business ventures in the UAE and beyond. Easily accessible to seaports on the Indian Ocean (Port Khor Fakkan) and the Arabian Gulf (Port Khalid), SAIF-Zone is built adjacent to the Sharjah International Airport. With features as unique as these, it is little wonder that SAIF-Zone has registered phenomenal growth since its inception in 1995.

With the advance in communications technology and the emergence of global trade blocks, businesses today have to be highly cohesive, responsible units in order to survive. Recognising the challenge faced by private enterprise, the SAIF-Zone was built to promote and enhance business in an atmosphere free of regulations and red tape. Perfectly positioned, accessible to both the Arabian Gulf and the Indian Ocean and the unbeatable logistical advantage of the 'Sharjah Link' make the SAIF-Zone the ideal business hub.

Sharjah Airport Free Zone offers the companies and individuals the following incentives and benefits:

- 100% corporate tax exemption
- 100% personal income tax exemption
- 100% foreign company ownership
- 100% repatriation of capital and profits
- Single window clearance (One stop shop)
